THE VISIONARIES

WHO WE ARE

OUR MISSION

To promote an enhanced lifestyle by identifying the right opportunities that respond to market needs and lead to the development of human-connecting hubs.

OUR VISION

Game-changer in the field of property development, management, and sales consultancy in the Lebanese and regional real estate markets.

WHAT WE DO

PROPERTY DEVELOPMENT

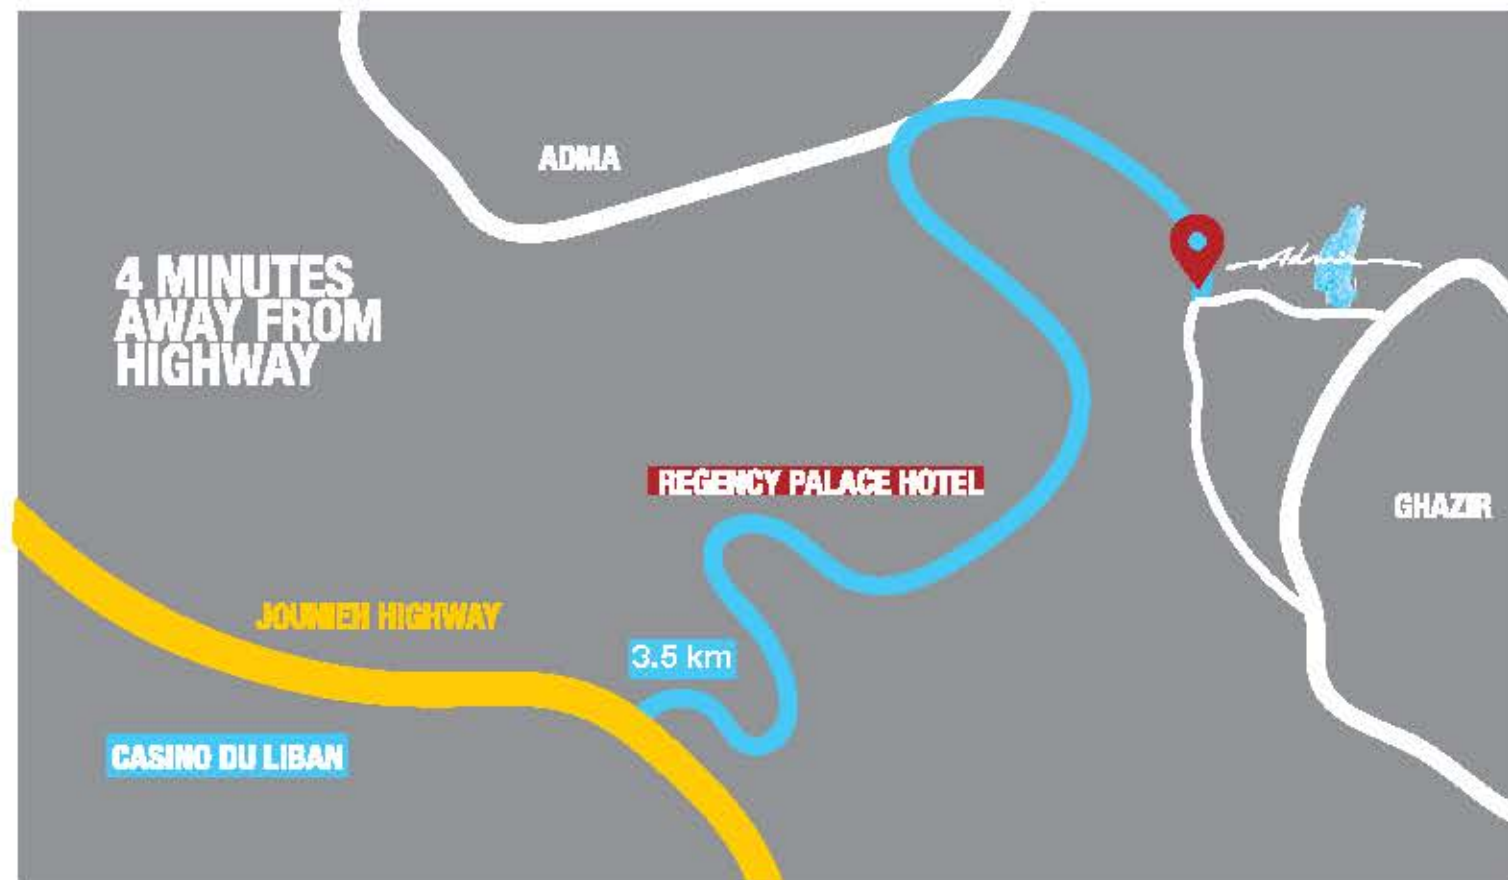

Developing large-scale residential and mixed-use developments in Lebanon, notably outside the capital where greenery is ample and prices are more accessible.

SALES AND MARKETING

Handling sales and marketing for third parties' projects, individuals and developers alike, and acting as a consultant in the field of real estate.

ADMIR - LOCATION

ADMIR THE HEART OF THE VALLEY

One of the very first projects that the Valley will host is Admir, a rare residential gem, nestled between Adma and Ghazir in a serene green setting, with a panoramic landscape that oversees the scenic mountains and the tranquil Jounieh bay. ADMIR offers a rare experience of a dynamic yet peaceful life; with its natural charms and a wide-array of recreational amenities. It presents itself as a holistic living experience for an exclusive lifestyle.
